## - HIKING - THE KNOBSTONE TRAIL

**THIS WEEKEND'S OUTING SHOULD BE GREAT FUN...BUT COLD. AS A SCOUT THIS IS A GREAT OPPORTUNITY TO CHALLENGE YOURSELF AND "BE PREPARED".**

- 1. WEATHER: FRIDAY NIGHT, LOWS IN THE UPPER 20S; SATURDAY NIGHT, LOWS IN THE LOWER 30S. BE PREPARED FOR COLD EVENINGS BY HAVING A SLEEPING BAG RATED FOR THE WEATHER. IF YOU DON'T HAVE A 30 DEGREE RATED BAG, YOU SHOULD HAVE A FLEECE BLANKET TO PUT INSIDE A REGULAR SLEEPING BAG.**
- 2. HAVE COMFORTABLE BASE-WEAR/CLOTHES TO WEAR IN YOUR SLEEPING BAG (I.E. LONG UNDERWEAR). THIS SHOULD NOT BE WHAT YOU WORE DURING THE HIKE.**
- 3. HAVE A PAD TO ELEVATE YOUR BODY OFF THE COLD GROUND.**
- 4. BRING GLOVES AND SOMETHING TO WEAR ON YOUR HEAD. MOST HEAT IS LOST THROUGH THE HEAD.**
- 5. BRING A DAYPACK WITH 2 WATER BOTTLES FROM HOME.**
- 6. WEAR LAYERS! YOU CAN TAKE OFF SOME CLOTHES (AND PUT IT IN YOUR DAY PACK) AS YOU WARM UP.**
- 7. THIS IS A HIKING OUTING. HAVE THE RIGHT SHOES AND SOCKS. IF COTTON SOCKS IS ALL YOU HAVE, YOU NEED TO WEAR 2 PAIRS DURING HIKING AND PLAN ON CHANGING OUT INTO ANOTHER 2 PAIR ON THE TRAIL DURING THE HIKE.**
- 8. BRING 2 PAIRS OF SHOES. YOU'LL WANT TO HAVE A SPARE PAIR IF YOURS GET SOAKED AND MUDDY.**
- 9. WE WILL BE SETTING UP TENTS IN THE DARK ON FRIDAY NIGHT. BRING A HEADLAMP OR LIGHT THAT CLIPS TO A HAT IF YOU HAVE ONE.**

NOTE: Comfortable Hikers & Backpackers plan on taking a waterproof pad, cushion or trash bag to sit on during lunch on the trail!
