Electronics:

Do not bring any Electronics (Cell Phones, MP3 players, Gameboys) to troop meetings and on outings. Thank you.

Parents – Please do not send your scout with a cell phone on outings. If your scout needs to get in touch with you have them go thru the adult leader on the outing. The adult leader needs to be aware of any issues that come up on the outings. We do not want to cause any un-necessary worries for you. All the adult leaders carry cell phones and if there is an emergency the adults will contact you. Remember, we camp in areas that typically have little or no cell phone coverage.

Communications:

If you would like to add an e-mail address or remove one, please send an e-mail to: troop30@insightbb.com with “**join**” or “**remove**” in the subject line. Please identify yourself as either a scout or a parent. This is to help save paper and associated costs in printing. As a parent you will get information before Thursday’s Troop Meeting and will be informed before your scout leaves for the meeting.

If you have any comments on how better to keep you informed please let us know. If you find any errors in this update please e-mail troop30@insightbb.com with the correction.
